

GLASS SERVANTS

These constructs are crafted in human shape, seemingly from pure glass. They are said to have been the servants of the Gods in the times before the war, and buildings inhabited by them are frequently found in good repair despite their age and abandonment.

Although intelligent, Glass Servants cannot speak – they instead communicate telepathically with those they deem worthy of words.

VITREOUS KNIGHT

T5 KNIGHT

Size 1 Sentient Construct

CONSTRUCT SENTIENT SIZE 1

A knight wrought of beautiful plates of clear glass, wielding a sword of the same material. When the glass strikes against itself, the construct rings out with a haunting sound, like a bell.

TRAITS

Pure Land Incense: Aura 3, any breathing creature entering or starting its turn in the aura must succeed on a D5 Sta resist or be Dazed (save ends). Creatures can avoid this effect by holding their breath.

Parma Arcana: Can resist any magical effect with a Pot resist equal to the casting check.

Monkey Grip: Can use 2H weapons in 1 hand.

ACTIONS

✂ **Crozier** (2 AP) basic melee 10d; 16+1d10 Impact; on hit: D6 Pot resist or lose 32+2d10 FP.

☼ **Cast Incense** (2 AP) 3 within 12; all creatures in burst are affected as if inside the Pure Land Incense aura.

CASTING (DIVINE)

✧ **Sunfire Blessing** (1 AP, 13 FP) 15 to hit 3; 1 ally within 10; target ally's weapon deals an additional 50% (of reliquary) Thermal damage for the rest of the scene.

✧ **Aegis of the Faithful** (3 AP, 39 FP; Sustain 1 AP, 13 FP) 15 to hit 8; Close Burst 5; All allies within the area gain Resistance 10 to all damage types. Projectiles and ranged spell attacks that cross the barrier take a -3d penalty to hit. The Celebrant cannot move while sustaining this power.

COMMAND POWERS

✧ **Coordinated Strike** (2 AP; 10 FP) 15 to hit 3; 2 allies within 10. You direct two allies to strike in unison. Each ally within range may immediately make a basic attack as a free action against a target of your choice. If both allies hit the same target, that target is Dazed until the end of its next turn.

✧ **Hold the Line** (2 AP, 20 FP) 15 to hit 7, up to 4 allies within Close Burst 5. You command your allies to form a defensive formation. Up to four allies within range gain +3 Evasion and +2d on resistance checks until the end of your next turn. While this effect is

active, enemies that move through or out of a square adjacent to an affected ally provoke an opportunity attack.

EQUIPMENT

✂ **Glass Crozier** T4 Masterwork Hammer (Flexible); 16+d10 Impact, Disrupting (D7 Pot or 200% FP Damage), Inc 12, 2H, 2 Bulk

☼ **Solar Incense** T4 Light Reliquary (Khâru; Sun, Crown); 15+d10 base, Will 4, Favor 1, 1H, 1 Bulk, 3½ Charge, Inc 13

🛡 **Celebrant Robes** T4 Medium Armor (Overgarment); 0 Arm, 25 Wrđ, Eva +2, Bulk 2, Charge 4, Special: Resist 10 Thermal

Tactics

The Celebrant attempts to cover its allies and itself in an *Aegis of the Faithful* if it can find an advantageous position. While it cannot move, it uses its command powers to bolster its allies and hold off enemy attacks in melee. It uses its Cast Incense ability to disrupt concentrations of foes.

Ecology

The Vitreous Celebrant acts as a leader of other Glass Servants. It uses its abilities to bolster its allies and hinder its foes.

Sample Encounter

1 Vitreous Celebrant (T4 Elite Controller), 2 Vitreous Knights (T5 Knight).
